## Ontario Winter Games

Karen Kristy was nominated to be the Biathlon Ontario contact with the host shooting club – Blue Ridge.

The OWG will be held on March 4 to 7 at the Blue Ridge Gun Club outside of Duntroon (Collingwood). The OWG has been held there a number of years ago. Karen will be work with the Club to determine the requirements that are needed to make the facility up to standard.

A high priority has been placed on this event as it represents a significant opportunity to develop a biathlon site in this area. We will make a great effort to involve the Cadet Organization into participating in these Games.
