

## BIATHLON ONTARIO

### SCREENING POLICY for VOLUNTEER and PAID POSITIONS (For Phased-In Implementation)

#### Preamble

1. Biathlon Ontario (BiOn) promotes excellence, enjoyment and ethical conduct through community-based recreational and competitive programs that appeal to athletes of all ages. It is critical to this mission that BiOn provides a safe and secure environment for all its participants. The purpose of adopting a screening policy is to support that secure environment by ensuring, to the extent possible, that volunteers and paid personnel who may work with vulnerable persons are subjected to a process of “screening” to ensure the safety of participants.
2. It is well established in common law that organizations providing programs and services to vulnerable persons have an obligation to take reasonable steps to ensure their safety and well-being. While there was previously some debate about whether or not there was a legal duty to screen, today there is widespread agreement that such a duty exists. In other words, screening has become an element of risk management, and the organization that doesn’t carry out some form of screening is likely failing to meet the reasonable standard of care that the law, and the community, expects of them.
3. The intent of this policy and the associated requirements is not to cast doubt on the quality and conduct of volunteers and paid staff engaged by BiOn and affiliated organizations. The focus of the policy is really on the positions that create risk, because of the demands and exposure of the position to vulnerable participants. The incumbents of those positions which are most affected by screening initiatives are generally the most dedicated and selfless of our leaders. It is therefore critical that this policy be implemented as sensitively as possible.

#### Aim

4. The aim of this document is to state the BiOn policy on screening, to recommend its adoption also at the club level, and to provide procedures to support its implementation at the division (BiOn) and club level.

#### Definitions

5. *Junior Athletes:* (References may also be made to Junior Participants, or Junior Racing Team, or Junior Racers): all participants in activities run or sponsored by BiOn or affiliated clubs who have not yet passed their 18th birthday.
6. *Police Records Check:* The process of securing information from the police about individuals, as well as to describe the form or report in which information is provided. It may include a check of national or local and regional police records. At the end of the process, a report is issued. The report may simply identify whether or not someone has a criminal record, or it may provide details of actual offences. Just as the process varies between police agencies, so too do the report forms.
7. *Position of Trust:* A position of trust identifies a situation in which someone is placed in a position of authority over another person in an ongoing relationship. A position of trust implies that someone has some degree of power over another, that the relationship is unequal. Individuals in positions of

trust may be family members, friends, caregivers, volunteers, or employees. A position of trust identifies a situation which may be considered risky because of the demands of the position.

8. *Screening*: Screening is a series of initiatives and protective mechanisms which, when utilized, minimize the potential for abuse or injury. These mechanisms include:

- the requirements for applicants to submit formal applications for employment in “positions of trust” on a volunteer or paid basis;
- the use of interviews for applicants to a volunteer or paid position of trust;
- the use of reference checks for such positions;
- the use of Police Record checks or other background checks by the hiring organization;
- the use of risk management or risk mitigation measures aimed at reducing the risks inherent in certain relationships.

9. *Vulnerable Person*: Volunteer Canada uses this term is used to denote individuals who have difficulty protecting themselves and are therefore at greater risk of harm. People may be vulnerable because of age, disability or handicap, or circumstances. Vulnerability may be a temporary or a permanent condition. This is purposely a broad definition, one that can include children, youth, senior citizens, people with physical, developmental, social, emotional, or other disabilities, as well as people who are victims of crime or harm. Vulnerable person will also include people who have been victims of crime or accident, or are otherwise left with little defense against those who would harm them. With respect to BiOn activities, “vulnerable persons” are generally youth under 18 years of age. However, there may be cases where BiOn Clubs include participants who are vulnerable because of some physical or developmental disability.

### **General Policy Regarding Screening**

10. It is the responsibility of BiOn and of any BiOn-registered clubs or other BiOn affiliated organizations to ensure appropriate screening and other protective mechanisms are in place to ensure the safety and security of vulnerable persons. In particular, this is the case with respect to the engagement of volunteers or paid personnel into positions of trust, particularly where those positions involve care for vulnerable persons.

11. Given the normal range of activities pursued by BiOn and its affiliated clubs, particularly our focus on youth participation and the development of high performance athletes, the situations that pose risk are those which involve the interaction of adult leaders (volunteers and paid) with youth participants.

12. In many cases, risk management or mitigation measures can be put in place, which can serve to reduce or eliminate risk. BiOn has implemented the following measures for its sponsored activities. It is recommended that BiOn clubs adopt the following measures as common practice, and that these be made the subject of written club guidelines:

- For all levels of youth instructional or training activity, including Biathlon Bears leader positions, to ensure that every training or lesson group is accompanied by at least two coaches; or a coach and at least one other designated, responsible adult.
- That all youth instructional and training activity be based on a published schedule, with known and predictable locations, destinations, and return times.
- That on occasions involving overnight trips by youth groups (e.g. out of town races or training camps), the designated coach leading the trip be supported by a sufficient number of other adults, including representation by both male and female adults where youth of both genders are involved; in any case all such trips should be accompanied by at least two 2 adults.
- For all Junior Racing teams on overnight trips, to ensure that at least one adult of either gender is included in team management (coaches, drivers, chaperones) where the athletes are of both genders; where the athletes are all of the same gender, that at least one of the team management be of that gender (where that is impossible in the case of small teams, arrangement could be made with other teams at the same event to share such supervisory roles).

- That coaches (or other team management) avoid to the extent possible being alone in the same room with one athlete when in lodging facilities, and that in all such cases the door of the room must be kept open.

- To ensure that on any trip involving team transportation, there are sufficient drivers to relieve coaches of all or most driving responsibilities.

13. These measures can considerably mitigate risk in what otherwise might be low-to medium- risk situations. However, there is a considerable difference between a short duration, limited intensity activity such as a typical Biathlon Bears session, and the far longer and more intense relationships that are normal in Junior racing team environments. BiOn takes the position that the cut-off above which a position should be considered high-risk is when that position may be responsible for leading or accompanying a group (or team) on an overnight trip.

14. Characteristics of “high-risk” positions are those where the incumbents:

- are frequently alone with youth, aged up to 17, or with other vulnerable participants, such as people with certain disabilities;

- are in a position of significant power over athletes or other participants;

- travel out of town and away from parent/guardian supervision;

- may be driving (operating a motor vehicle) with youth or others as passengers.

15. It follows that a Junior Racing Team coaching position should be considered a high-risk position. Similarly, persons who may form part of Team Management staffs (Managers, Drivers, Chaperones) may also be required to fulfill some of the screening procedures listed below, particularly where such roles are seen as “permanent” (e.g. season-long) appointments, rather than occasional assignments.

### **BiOn Application of Screening Policy**

16. With respect to sponsored activities, BiOn has adopted the following policies:

- supporting staff (e.g. Team Managers, Team Head Coach, Apprentices Coach(es), Waxing Coach), whether paid or unpaid, accompanying BiOn-sponsored athletes to a race-series, training camp or other activity (e.g.: the Ontario team to National Championships; the Ontario Racing Team to any training camp or race series), will be subject to the following screening requirements:

- written application;

- an interview and reference checks (where applicants are not well known to the organizers);

- a police records check.

- Club coaches responsible for bringing Junior racers to BiOn-sponsored events (including Ontario Cup races, Ontario Winter Games, Ontario Championships, etc.) will be required to have a current (i.e. less than 3 years old) police records check, and to provide a copy of this.

### **Application of Screening Policy to Clubs**

17. It is recommended that all members clubs and other organizations affiliated with BiOn adopt a screening policy and procedures, as recommended in this policy, and adapted to their circumstances.

**Volunteer or Staff Application – Biathlon Ontario**

Club or organization name: \_\_\_\_\_

***Applicant Information:***

Name: \_\_\_\_\_

Address: \_\_\_\_\_

City/Town: \_\_\_\_\_ Postal Code: \_\_\_\_\_

Phone#: (Res.) \_\_\_\_\_ (cell) \_\_\_\_\_ (Bus.) \_\_\_\_\_ (Fax) \_\_\_\_\_

Volunteer Involvement (current and/or previous):

Or for paid positions, also include all biathlon-related experience:

Agency/Organization(s): \_\_\_\_\_  
\_\_\_\_\_

Position(s): \_\_\_\_\_  
\_\_\_\_\_

References (name, address, phone):

1. \_\_\_\_\_

2. \_\_\_\_\_

Position Selection: Indicate below your choice of position(s) in order of preference:

1. \_\_\_\_\_ 2. \_\_\_\_\_

Why are you applying for the above positions? \_\_\_\_\_  
\_\_\_\_\_

Skills and Qualifications: Please provide information on relevant background (or provide CV)

1. \_\_\_\_\_

2. \_\_\_\_\_

What You Can Expect:

- You may be contacted for an interview
- You may be asked to undergo orientation and training
- To have your performance evaluated as a volunteer
- Be subject to Police Checks and other background checks, in the case of certain designated positions (by signing this document, you indicate your willingness to be subjected to such a check)
- applicants for coaching roles will also be required to submit a signed copy of the BiOn coaching code of ethics.

Applicant Signature: \_\_\_\_\_ Date: \_\_\_\_\_
